Pro Fuels

Gulf Pro Fuel is an ecologically-friendly Alkylate gasoline for 2 and 4 stroke engines, which burns 99% cleaner than regular gasoline. The main value of the Gulf Pro Fuel brand are *efficiency, health* and *ecology*. It is almost completely free of hazardous compounds, such as benzene and other aromatic hydrocarbons. Using Gulf Pro Fuels guarantees optimum engine performance, while also being significantly less harmful to the environment and the users health. It is more stable than regular gasoline, so it can be stored much longer without damaging the engine.

2 Cycle Pro Fuel

This is a ready mixed blend of ultra pure Alkylate gasoline with a high quality, biodegradable, two stroke oil at a 50:1 ratio. It ensures exceptional engine cleanness, minimal emissions, optimum lubrication at all temperatures, and a long storage life
